SKILLS

Languages: C++, C, Python, JavaScript, Java
Tools/Platforms: Linux, Wireshark, Git, VS code
Soft Skills: Adaptability, Time Management, Problem Solving, Multitasking

PROJECTS

Open Port Scanner | LINK October 2025

- Designed a network scanning tool using Python to automatically check the security of computers on a network.
- Used the professional Nmap tool (via Python) to find all the open "doors" (ports) on a target computer.
- Identified the exact software and version number running behind each open door (e.g., finding the version of a web server).
- Integrated result parsing logic to cleanly format and present complex scan output directly in the command line interface.
- **Tech**: Python, Nmap, Network Scanning

Library Management System | LINK July 2025

- Implemented core OOP principles by defining Book and Borrower structures, encapsulating attributes like ID's, titles, name, and tracking borrowed status.
- Developed a clean and responsive frontend interface using HTM, CSS to stimulate library operations visually.
- **Tech**: C++, HTML, CSS

TRAINING

NextGen Networking: Summer Internship in Advance Computer Networks | LINK June – July 2025

- Completed a skill development training by LPU in Advance Computer Networks, earning an 'A' grade for outstanding performance.
- Gained hands-on experience with advanced Computer Networks concepts, completing practical assignments and enhancing networking proficiency through guided training.

CERTIFICATES

- Computer Communication – Coursera | LINK September 2024
- The Bits and Bytes of Computer Networking – Google | LINK September 2024
- Introduction to Hardware and Operating System – IBM | LINK September 2024
- Digital System: From Logic Gates to Processors – Coursera | LINK October 2024

ACHIVEMENTS

Cleared 1st stage of a Hackathon | LINK February 2024

Qualified for the 2nd stage of "Code-A-Hackathon" among 500 participants, demonstrating problem-solving skills and proficiency in coding under time constraints.

EDUCATION

Lovely Professional University Punjab, India
Bachelor of Technology - Computer Science and Engineering; ***CGPA: 6.36*** *Since August 2023*

Guru Nanak International School Ratia, Haryana
Intermediate; ***Percentage: 70*** *June 2020 - March 2022*

Aarohi Model Sr. Sec School Ratia, Haryana
Matriculation; ***Percentage: 89*** *June 2019 - March 2020*
